Address of Obtrusive Light(s): _____

City: _____ County: _____

Owner of Obtrusive Lighting: _____

Have you contacted the owner? No__ Yes__ (when _____)

If Yes, Results/Comments: _____

State the Problem (Please be as specific as possible, including the type and number of lights, location, times on, and date when offense began - see note below to include photos to help ID):

Your suggestions to remedy the problem: _____

For contact purposes only, to get more information if needed and for follow-up:

Your Name: _____

Your Address: _____

Your Phone No.: _____ Email: _____

Thank You for your Interest in Helping Reduce Light Pollution!

Important Note: Please attach daytime photos showing the light installation area (like house with light mounted on eve, etc.) and a close up photo to help identify the type of light fixture.

We can only report lights for enforcement that are not compliant with "Outdoor Lighting Codes" to the jurisdiction involved (may be State, County, and/or City codes that apply).

Please mail this completed form with photos to the address as listed on the top of this page.

NOTE: If you are outside the Southern Arizona area and have an Obtrusive Light, check with your closest IDA Section to see if they have a form. Sections are listed at: www.darksky.org, click on Sections page.
